PROFESSIONAL EXPERIENCE

Working Student | ZEKI | Berlin **Oct 2025 - April 2026**

- Full stack robot: Navigation; Vision language model; Turtlebot4

Research Assistant | Robotics and Biology Laboratory | Berlin **Oct 2025 - April 2026**

- Lab Support: build soft robot hand; CAD design; 3D printer
- Work with Franka panda robot: software pipeline optimization

Software Engineer| Working Student | Mbition GmbH | Berlin **Sep 2024 - Oct 2025**

- API programming; Software upgrade for vehicle

Test Engineer | Intern | LiangDao GmbH | Berlin **Oct 2023 - April 2024**

- ADAS Function test

Software Engineer | FaSTTUBe | Berlin **Oct 2022 - March 2024**

- Algorithm developing for autonomous driving: PPC, MPC, Fuzzy Control
- Embedded systems programming: position and velocity control for steering motor

Team Leader | Formula Student Team of Hainan University | China **May 2018 - Nov 2019**

- Vehicle design; Team management; Official driver

ACADEMIC EXPERIENCE

Technical University Berlin | Second M.SC | Computer Engineering | Berlin **Sep 2024 - Now**

- **Current Grade:** 1.3
- **Key Courses**: Robotics; Machine Learning; Deep Learning; Optimization; Motion Planning; Sensor System

Technical University Berlin | M.SC |Vehicle Engineering | Berlin **Sep 2020 - Feb 2025**

- **Master's Thesis**: Development and Implementation of Pedestrian Tracking and Following System for an Autonomous Shuttle Bus
- **Key Courses**: Machine Learning; Vehicle control systems; Vehicle mechatronics; Vehicle dynamics

Hainan University | B.SC | Vehicle Engineering | China **Sep 2015 - June 2019**

- **Bachelor's Thesis**: Optimization of the suspension design and analysis for a Formula Student racing car

SKILLS

Technical Skills

- **Programming:** Python, C++, MATLAB
- **AI & ML**: TensorFlow, PyTorch, Reinforcement Learning
- **Robotics:** ROS 1/2, Gazebo, Nav2, Slam Toolbox, Isaac Lab, OMPL
- **Design:** Fusion 360, Shapr3D, Solidworks
- **Engineering:** Embedded Systems(Arduino/Raspberry pi/Jetson Orin), PCB design

Others

- English: very good
- German: good
- Mandarin: native
- German Driver license class B

COMPETITION EXPERIENCE AND EXTERNAL ACTIVITIES

- 2019 Formula Student China
- 2019 Outstanding Bachelor Thesis of Hainan University
- 2023 Formula Student Germany
